Dear Senators,

Today is the 50th anniversary of Dr. King's speech denouncing the Vietnam War at the Riverside Church in New York City. I was honored to be present then. In the speech, Dr. King prophesied a future of continuing immoral American wars. That prophecy has alas come true, in spades.

In the Iraq War which was launched in 2003, one of the worst of its many horrors was the use of torture. I have protested that practice for more than ten years, calling for ACCOUNTABILITY for those who created, justified and/or carried out that program.

Neil Gorsuch-Hold him Accountable-now..

**TORTURE:
ACCOUNTABILITY TODAY
STOPS TORTURE TOMORROW.**

I gave out hundreds of these bumperstickers in the early years of the Iraq war.

This week you have the chance to HOLD ACCOUNTABLE one of those who justified official torture: NEIL

GORSUCH. As reported by your colleague Senator Dianne Feinstein, as a white House lawyer Gorsuch justified torture and advised on ways officials could evade accountability for it. (Details here: <http://bit.ly/2nYHgUZ>)

This is but one of many reasons to oppose his nomination to the Supreme Court. For me, and no doubt it would be for Dr. King, this shameful record is a major one. VOTE NO ON GORSUCH.

**Thank you.
